For a clear understanding I recommend you to read the whole PDF once or twice before you make any steps.

I can assure you that such a document and the links below would have helped me immensely at the beginning of my reflections about God!

From Creation to Eternity

God made everything good. He made humans very good. Adam and Eve lived in the garden of Eden where they had fellowship with God on a daily basis. There was neither sickness, nor depression, nor any walls. They were allowed to eat the fruit from any tree in the garden with one exception, they were not allowed to eat from the tree of knowledge of good

and evil. Sad to say, but they ate from it. They were ashamed and became closed for God.

God did not want them to remain in this spiritual separation from him forever. That is why God banished them from the Garden Eden to keep them from eating from the tree of life. [Genesis 2-3](#)

This is how sin entered this world. People kill each other, evil is in this world and people are cold and closed towards God. Sin keeps people in bondage. They compare themselves with others to see if they are good or if others are worse. However, we have to compare ourselves with God and God is holy.

God has the ultimate authority. People can lie and betray each other and in this way also sin towards God and with that receive the strongest punishment. In the light of the holy God sin becomes worse. If a

film about our whole life, including those most secret things, also thoughts, would be shown publicly we would run away and never show up again, because we would be so ashamed. One day we will stand before God and not find any excuses, we know that we are guilty. He has every right to cast us into hell. That is bad news.

But there is very good news: God sent his [Son](#) Jesus to die for us. He was conceived by God, was the only human being that never sinned, he died for you and me. When he was 30 years old he got baptized and the Holy Spirit came into him. After that he walked around, healed the sick, cast out demons, taught and trained for the Kingdom of God. In the end he was whipped and crucified. Since he never sinned he rose from the dead and went up to God in heaven where he sits at his right hand.

We have to confess our sins and turn away from them and turn to God. We need to ask God for forgiveness and ask him for a new heart. We have to be born out of water and Spirit, become a new being. As soon as we have turned from our self-determined and godless lives in sin and turned to God we need to be buried under water, old Adam has to die and we rise with Jesus to an eternal life. In the bible we see that baptism usually happened the same day. Then we will receive the Holy Spirit and by that we will be born again and become a new creation, all is made new. Now we can do the same things Jesus did. We can heal the sick, cast out demons, baptize them in water and with the Holy Spirit. This is for everybody.

Steps

1. Acknowledge that Jesus is the son of God, through the spirit, good-leading.com can help with this. He died for our transgressions, every lie, simply for every single sin ... By his stripes we are healed, through his death and his resurrection we can have life – now and in eternity.
2. Turn to God, the Father, put your whole trust in Jesus Christ, call to him and accept him as your Lord sent by God to follow him. Get baptized under water for the remission of your sins. Let someone put his hands on you and pray for you so that you receive the Holy Spirit (it is necessary that this person has also turned to God, been baptized and been filled

with the Holy Spirit). Like this you become a new being. God lives in you and flows out of you. You will be able to speak in other tongues or prophesy.

Life

The Holy Spirit will guide you. Follow Jesus and do what you feel inside that God wants from you. Trust God to always lead you, even beyond your own understanding.

Grow in the the grace and knowledge of Jesus Christ and grow in God's love. Speak with God and listen to him. Have loving and true fellowship with other Jesus followers. Renew your mind by reading the bible, especially the New Testament. We keep his commandments, above all to love one another and

thus remain in him. Moreover, we make all the peoples his disciples by baptizing them and then coaching them to do all that Jesus has commanded us to do. If you stay in Him, you have the right to eat from the tree of life and go to heaven for all eternity. Use the resources on the last page to walk strong in trusting God from the beginning. This way you will avoid some unnecessary pain.

Jesus Christ is ...

grace, wisdom and power of God

the lamb of God, the living bread

one with the Father, the Father in him, Christ in the
Father

our mediator to God, the Father

Savior, redeemer of evil, healer, good shepherd

the way, the truth and the life

Lord of the visible and invisible

head of those who believe in him

Christ is all for us

When Christ is in us we are truly a new being and he and the Father are dwelling within us. The Father is in Christ and so also in us. He is our indescribable joy, peace, strength, love, wisdom and he lives in us and through us. We are blessed, happy, full of hope, one with the Father and the son. He guides everything in us. We do not need to work with our own strength anymore but he is the power in us. He speaks and acts through us and all circumstances will serve for our best. We remain calm even when there are hindrances or afflictions. And we have an eternal heritage. We are united with God in love forever and blissfully happy and contend. This is the invitation and the call of God to experience this.
