Being intimate with God

God's Spirit guides those who have been born again. Be open and sensitive for his guidance and follow him. Speak with Jesus. Call on him, also in temptation and need, listen to him, follow this clear holy peace in your spirit/heart, if necessary wait on the Lord, let him do his good work in you. For an open / soft heart for God: fellowship with him in personal prayer; ask to realize the outstanding love of Christ; living in compassion, it can start with small steps. Living for God's purposes, the heart is on him more and more. Love each other.

Clues to prevent you from being surprised the way God guides you

God is love and justice. This will affect all parts of your life, because Christ lives in you.

God tests your love, whether you trust and obey him or not. It can happen that he tells you to do something but later he will redirect your course.
